MARVIN WINDOWS AND DOORS

THE MARVIN DIFFERENCE

Every Marvin® window and door begins with a commitment to craftsmanship. While that means using premium materials, like hand-selected, sustainably sourced lumber, it also means relying on an expert workforce and doing things the right way, every time.

We know quality isn't an accident. It's an attribute that takes consistency.

Over the years we've constantly gone the extra mile to ensure quality is built into every product that bears our name. It's the result of tradition, innovation, and expertise united by a responsibility to provide the very best. All because we don't just make windows and doors, we build pieces of people's homes.

ENDLESS DESIGN POSSIBILITIES.

REIMAGINED FROM THE BOTTOM UP

The Marvin Lift Lock moves the location of the lock from the check rail to the lower part of the sash, solving an age-old problem of lock accessibility. Now, operating your window is easier than ever; the Lift Lock unlocks and acts as a handle for raising and lowering the bottom sash. To lock, simply close the bottom sash. Lift Lock hardware is available on the Ultimate Single Hung Next Generation Window.

A MODERN INNOVATION

The Marvin® Lift Lock is the next innovation in function, design, and aesthetics for the Marvin Ultimate Single Hung Next Generation Window. Now operating your window is easier than ever; the lift lock unlocks and acts as a handle for raising and lowering the bottom sash. To lock, simply close the bottom sash. Lift Lock Hardware is available with contemporary and traditional styles to complement a range of designs.

ULTIMATE DOUBLE HUNG NEXT GENERATION

SHADED IN SERENITY

From the amount of light to give your home to the amount of privacy to give yourself, what you need throughout the day changes. Marvin's interior shades are seamlessly integrated into the window with no edge gaps for light to bleed through and feature top- down/bottom-up operation, letting you choose your exact amount of daylight or privacy. With finish options to match your windows or doors, a precision fit with no visible cords or pulleys, these shades blend into the background when unused. Offering fifteen light-filtering shade colors and five colors that block out light, Marvin® shades are designed to accommodate every need. These shades are made with a durable material that holds its pleat through normal use and we offer a 10-year warranty on all fabrics.

WOOD SPECIES

Every master woodworker knows that one of the most important choices when crafting a new piece is selecting the right wood species for the project. With variations in grain, hardness and warmth, each one of our six standard wood species has something unique to offer.

ALUMINUM CLADDING

BEAUTY THAT DOESN'T FADE

Our cladding offers color flexibility to meet design goals with durability to protect against the elements. Backed by a 20-year warranty, Marvin's impact resistant extruded aluminum cladding is 3x thicker and much stronger than the industry-standard roll-form aluminum. ** Standing out for its extraordinary durability in nineteen spectacular colors, all finished in commercial-grade paint for superior resistance to chalking and fading, our aluminum cladding is designed to last.

INTERIOR FINISH OPTIONS

As part of our commitment to only creating the highest-quality windows and doors, every single piece of wood in each of our made-to-order products is conditioned, sanded, and baked during our integrated conditioning and staining process to provide an elegant and lasting finish. With nine stain and paint options to choose from, our customers can receive stunning, ready-to-install windows and doors without the mess, fumes, or inconvenience.
